The World's Most Important Gathering of CIOs and Senior IT Executives

Accelerating growth. Creating new connections. Driving greater agility. A powerful convergence of forces — mobile, social, cloud and information — is rapidly reshaping how business gets done now and in the future. CIOs and senior IT executives are at the center of this transformation, leading the creation of the digital enterprise.

At Gartner Symposium/ITxpo 2014, attendees will gain the insight, tools and relationships necessary to create, validate and execute transformative business technology strategies.

Why You Should Attend

Comprehensive IT Agenda

Gartner Symposium/ITxpo is the world's most important gathering of CIOs and senior IT executives. Our 2014 agenda offers 500+ analyst sessions, workshops, roundtables and mastermind keynotes across five full days. With 10 role-based tracks and 11 industry tracks, the agenda targets your specific title responsibilities and ways to adapt new ideas and strategy to your industry, along with insight on what's next in IT.
