CRIMINAL INVESTIGATIONS DIVISION

TO: LOU ANN MULLINGS
FROM: GLENN NORRELL, LIEUTENANT
SUBJECT: TRACKER 820
DATE: JUNE 4, 2014
CC: JAMES BURGER, CAPTAIN

Toward the end of February 2014, the Tracker 820, serial #3218 was sent to Cobham Tactical Communications and Surveillance for repair. We requested a quote for repair costs in order for a Purchase Order to be obtained. This was not done by Cobham, the unit was repaired and an invoice was sent totaling \$556.11. We do not dispute the repair bill and request a Purchase Order be submitted to pay for the repairs. We also notified Cobham and voiced our concerns of not being provided a quote prior to repair. Cobham apologized for this oversight.
