Mark –

Attached is our invoice for the last month's work associated with the Cane Island project. We have submitted the drainage, detention and channel impact analysis to Fort Bend County Drainage District for review. Additionally, we have nearly finalized the ROW delineation and are working on the ROW maps. Finally, I submitted a draft report to Fort Bend County for their review.

Please let me know if you have any questions or need additional information.

Thanks,

Justin R. Ring, P.E.
