Progress Report

Project: Fort Bend County On-Call Engineering Services

Date: 6/25/14

Job No.: 0262.014.000

Period: 6/16/14 – 7/15/14

Prepared By: Don Durgin

Activities Completed this Period

FBC On-Call – Trammel Fresno

- Utility Coordination
 - Klotz Associates coordinated with the Municipal Utility District regarding their facilities in the area. They submitted exhibits showing utilities and we reviewed their exhibits for conflicts with the proposed improvements.
 - Centerpoint Gas submitted relocation plans for a permit from Fort Bend County. The plans were transmitted to Klotz Associates for review and comments. The comments and plans were scanned and returned to Fort Bend County.
 - Klotz Associates prepared an exhibit for Centerpoint Electric to better shown them the project conflicts with power poles, and discussed the proposed work. Klotz Associates is coordinating with BKI regarding possible sidewalk relocations to avoid some conflicts.
- Klotz Associates coordinated the update of plans to be sure that FBC had a complete set and provided plans to Missouri City for traffic signal review.
- Follow up phone calls and emails were made with all utility agencies and their status was updated in the conflict list.
