Reference; The donation of County equipment scheduled for auction.

Mrs. Schmidt, in past years the County has supported our department by donating some used equipment to us. Pecan Grove Volunteer fire department is a 501-C-3 not for profit that exists through the volunteer donations of the Community, so needless to say our budget is very limited. The equipment from the County allows us to provide emergency services to our community.

Below is the equipment I would like to request the County to once again donate to our department. Thank you very much for your consideration.
