RE: Fort Bend County Bid 14-034: Term Contract for the Purchase of Earthen Type Road Materials.

Dear Ms. Kaminski:

Effective immediately, Century Asphalt Ltd. is increasing our current pricing on FOB hot mix at our Rosenberg plant. This action is due to unforeseen increases in the cost of liquid asphalt coupled with raw aggregate price increases. I have attached as supporting documentation to this letter Valero's rack price advisory at the time this contract let in February 2014 as well as Valero's current rack price advisory which will quantify the significant price escalation we've incurred during the term of our contract. I have also included a price increase letter from our raw aggregate supplier, Martin Marietta Materials. The following tables outline our revised pricing schedule:

| | CURRENT MATERIAL PRICING | PRICE | REVISED MATERIAL PRICING | PRICE |
|----------|---------------------------|---------|---------------------------|---------|
| THD #292 | Black Base without R.A.P. | \$52.00 | Black Base without R.A.P. | \$59.00 |
| THD #292 | Black Base with R.A.P. | \$46.00 | Black Base with R.A.P. | \$51.00 |
| THD #340 | Type "D" without R.A.P. | \$58.00 | Type "D" without R.A.P. | \$65.00 |
| THD #340 | Type "D" with R.A.P. | \$52.00 | Type "D" with R.A.P. | \$57.00 |

We appreciate Fort Bend County's business and look forward to serving your hot mix asphalt needs. Thank you for your attention to this matter and should you have any questions or concerns, please do not hesitate to contact me at 713-292-2868.

Regards,
