Sobering Choices and the Exquisite Art of Planning

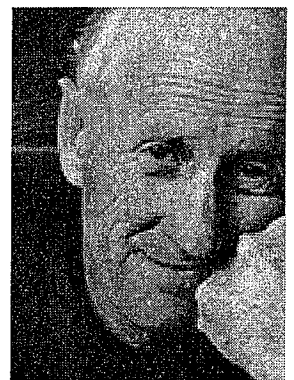

Kick off the conference with Ron Sims, former deputy secretary of HUD. He's sure to open up fresh perspectives on all you'll see and hear at the conference.

Natural Infrastructure and Formerly Extinct Wildlife

End the conference on a high note with environmentalist and futurist Stewart Brand, founder of the *Whole Earth Catalog*, president of The Long Now Foundation, and TED talks veteran. Since the '60s Brand has been a force for connecting people with the information to make the planet a better place. Find out how it's going and what's coming next.
