Re: Nextdoor.com printed handout materials

These documents were ordered without a purchase order during the month of September for National Night Out which was October 7, 2014. Our office was working to become an "Agency Administrator" for the Fort Bend County area and this was not granted until September. Due to the short timeline available, they were ordered at an extremely competitive rate. We were provided 10,000 full-color cards individually wrapped in quantities of 100 for easy distribution to deputies.

These were ordered at the request of the Sheriff and will be paid for out of seized funds.

Respectfully,

Major C. G. Norvell
