Dear Mr. Slawinski,

Enclosed is BIO-WEST's invoice for services provided from 1/01/15 to 1/31/15 for Professional Environmental Services.

This memorandum is to summarize activities conducted on the Fort Bend County (client) Mobility Projects during the month of January 2015. Below are tasks with short descriptions in which employees provided support.

Discussions were initiated with the engineering consultant to discuss environmental obstacles identified on the Williams Way Roadway Extension Project. These efforts included internal discussions on an approach and logistics of addressing the discovery of a grave site within the project alignment.
- Administration – Provided support to project manager including contractual support, billing oversight and meeting coordination.
