Dear Mrs. Werlein,

The Fort Bend County Historical Commission appreciates the annual funding received from Fort Bend County. The funds are used to buy supplies for our committee work, which includes historical marker dedications, recording of oral histories, and efforts to locate, preserve and protect cemeteries in the county.

A proposed FY2015 budget was filed in March 2014 requesting funding from the county in the amount of \$5000. We look forward to the receipt of the approved FY 2015 funds.

Sincerely,

Claire Rogers
Treasurer
Fort Bend County Historical Commission
