

Notice to Fort Bend County Voters on a proposed Countywide Polling Place Program

A countywide polling place on Election Day is one where any registered voter of Fort Bend County may vote, just as in Early Voting. If countywide polling places are implemented, a voter on Election Day would no longer be required to vote in his or her home precinct polling location, but could vote at any polling place within the county.

In order to provide additional information and to solicit comments from the public on a proposed plan to implement a countywide polling place program for use in the November 3, 2015 General Election, the Fort Bend County Department of Elections Administration will hold public meetings on the following dates and times:
