The World's Most Important Gathering of CIOs and Senior IT Executives

Digital business is where it all changes for CIOs. The stakes are higher. The pay-offs bigger. And the need to lead enterprise transformation more urgent than ever before. **At Gartner Symposium/ITxpo 2015**, the world's most influential CIO conference, you'll find what you need to succeed. You'll have the time to reflect on the topics that match your most critical priorities, and the space to refresh your point of view. Guided by the unbiased advice of Gartner analysts and the insights of world-class business and IT thought leaders, you'll be empowered to build relationships, solve problems and embrace new ideas with your CIO peers. Most of all, you'll be inspired to re-imagine "business as usual" and strengthen your own personal brand as a key driver of the digital movement. This fall, be a part of the industry's most forward-thinking gathering of CIOs and senior IT executives for a CIO-focused exploration of technology, business and professional leadership.

"Symposium/ITxpo provides the best opportunity to see new technologies being developed outside of my industry."

R. Burrows
CIO & VP
