Dear Mr. Slawinski,

Geology/
Hydrogeology
and Remediation

Enclosed is BIO-WEST's invoice for services provided from 4/01/15 to 4/30/15 for Professional Environmental Services.

Fisheries and Aquatic
Ecology

This memorandum is to summarize activities conducted on the Fort Bend County (client) Mobility Projects during the month of April 2015. Below are tasks with short descriptions in which employees provided support.

GIS Analysis
and Planning

- Williams Way Environmental – Staff ecologists continue to coordinate with the project team to address environmental concerns. An environmental site visit was conducted along the proposed road alignment to identify any other environmental concerns. Archeological coordination with the Texas Historical Commission and consultant to determine progress moving forward to address the headstone.
- Administration – Provided support to project manager.

Landscape
Architecture
and Environmental
Planning

The total for these environmental services is \$3,093.69. If you have any questions or require any additional information, please feel free to contact me at (832) 595-9064. On behalf of BIO-WEST, I personally thank you for the opportunity to provide our services.

Sincerely,

Martin Heaney

Jillian, we've reviewed the attached invoice from Bio-West and recommend approval and processing. By the way, they show an outstanding invoice, but I sent last month's invoice to you. It might just not have been fully processed yet, but you might want to check on that.

Take care!
Mark
