**Subject:** Cell Phone

In reference to the cellphone that was sent over night to Teel Technologies. This was an urgent request from Sgt. Brad Whichard that it be sent overnight with delivery before noon. This cell phone was the main source for probable cause in obtaining suspect information in this murder case. Our systems here could not break the pass codes to the phone, Teel Technologies advised that they may be able to break the code.

Thank you for your assistance in this matter.
