EXECUTIVE FORUM 2015

[Home](#) [Agenda](#) [Events](#) [Travel/Lodging](#) [Registration](#)

Please join us for the fifth annual Courts & Justice Executive Forum on September 8-10 at the St Julien Hotel & Spa in beautiful Boulder, Colorado.

*This **invitation-only** event brings together leaders and innovators in the justice community who are Odyssey[®] clients — senior court, IT and elected officials — from some of the largest jurisdictions in the country.*

This event has grown and improved each year since its inception in 2011, and we continue to get enthusiastic feedback from those who attend. This year's **agenda** will be divided into four major areas — from case initiation through public access. Our objective is for you to walk away with a clear understanding of recent trends and how they impact your jurisdiction, as well as learn about new Odyssey capabilities and what is required to take advantage of them. As always, you will have the opportunity to spend valuable time with senior court officials from around the country and with Tyler's senior management team. Get ready to build relationships, share new ideas and identify innovative ways to achieve more efficient court operations and enhance digital access to justice.

There is **no fee** to participate in this by-invitation-only event, but please note that we expect a large turnout and that we had to turn people away last year.

Please **register** to reserve your spot soon.

See you in Boulder!

Note: *Please do not share this link. We have a limited number of spaces available for this **by-invitation-only** event.*
