Re: Price increase for Fort Bend County Bid #15-049

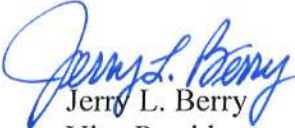

Dear Ms. Krejci;

Durwood Greene Construction Co. hereby respectfully requests an increase in the pricing at this time for the items in Option 2 of our Term Contract for Concrete Curbs and Gutters with Fort Bend County in Bid #15-049. This contract was Bid on Thursday, February 19, 2015 and was awarded by Commissioners Court on March 10, 2015 and has an initial contract term of April 1, 2015 through March 31, 2016. We are now substantially past the first 4 months of this contract.

We have attached a copy of your bid tabulation from the award for Option 2 and added two new columns to show the percent increase and the new (09-30-15) unit price by each individual category. In accordance with your instructions, we have based the price increase on the amount increased from the supplier and also attached a copy of our supplier's written documentation of this increase to us. Please note that our requested increase is less than the 25% of the original bid price.

Thanks for your assistance.

Very truly yours,
Durwood Greene Construction Co.

Vice President
