PROGRESS REPORT

TO: Richard Stolleis, PE
FROM: James Baker, PE
PROJECT: Fort Bend County / Beechnut Widening
SUBJECT: Progress Report – August 2015

The purpose of this memorandum is to summarize the progress for the period from August 1, 2015 thru August 31, 2015 for the above referenced project.

The following tasks were initiated and/or completed in August:

- Topographic survey cleanup and CAD file created
- Topographic survey information verified with site visit
- Geotechnical report revised and reviewed
- Obtain LIDAR info within project limits
- Finalize right-of-way within project limits
- Create alignment
- Begin creating profiles of existing features
- Continue with drainage analysis of existing conditions
- Create preliminary survey control sheets

The following tasks are planned for September:

- Cut plan & profile sheets
- Continue with drainage analysis
- Cut existing cross sections
- Show existing public & private utilities in both plan & profiles
- Create typical section
- Create proposed roadway improvements in plan view
- Evaluate and determine right-of-way acquisition needs
