Re: Aliana Westmoor Drive and Abermore Lane Street Dedication  
LJA Job No. 1968-1022-310 (6.1)

Dear Commissioner Patterson:

The proposed street dedication plat of Aliana Westmoor Drive and Abermore Lane consists of 32.897 acres of land and represents the remaining right-of-way to connect existing Westmore Drive and existing Abermore Lane in the Aliana development. This final plat was approved by the City of Houston Planning Commission on January 22, 2015.

We respectfully request the Court to consider granting the following:

A variance to the minimum 850-foot centerline radius requirement established under Section 5.4(C)(1) of the Fort Bend County Regulations of Subdivisions and allow a centerline radius of 510-feet for approx. 427-feet along Abermore Lane from Minsky Lane (Plat No. 20120205, F.B.C.P.R.) and proposed Westmoor Drive within this street dedication plat.

We greatly appreciate your consideration of this variance request.

Please let me know if you have any questions or require additional information.

Sincerely,
