Fire Alarm Inspection & Monitoring Quote

Project: **EMS Medic 6 Fire Alarm Inspection & Monitoring**  
Estimator: **Eric Alexander**  
Bid Item: **Inspections and Monitoring added to Bid 15-024**

Texas Firecraft Technology, Inc. welcomes the opportunity to quote the Fire Alarm System Inspection and Fire Alarm System Monitoring for Fort Bend County at the site referenced above. System Monitoring Test signals can be run at the time of system inspections provided there are (02) phone lines run to the Fire Alarm Panel, (01) will need to be dedicated, and there is a Digital Communicator installed in the Fire Alarm Panel, If the Digital Communicator is not installed in the Fire Alarm Panel, then additional cost will be incurred to equip the Fire Alarm Panel with the communicator to send signals to the Monitoring Station.

**TFT Schedule of Equipment and Installation Services as Follows:**

QTY	ITEM / COMPONENT DESCRIPTION	Cost
1	Annual Fire Alarm Inspection	\$250.00
12	Monthly Fire Alarm System Monitoring Fee (\$29.25/mth.)	\$351.00

**Inspection & Monitoring Pricing: \$601.00**

Sincerely,  
***Eric Alexander***
