## LIBRARY LABS: RESEARCH, INNOVATION & IMAGINATION

[Registration](#)

join your peers as they converge upon  
washington, dc in 2016. registration open!  
library labs: research, innovation, & imagination

Many organizations have innovation labs, incubating spaces, and ways to stimulate imagination and support research. Our theme, Library Labs: Research, Innovation, & Imagination, aims to do the following:

- Highlight library research that translates into useful strategies and practices for libraries.
- Share new and exciting projects from information industry labs.
- Feature innovative services and libraries.
- Stretch our imagination with possible areas for further library research and testing.

Libraries are changing,—building creative spaces with a focus on learning and creating; engaging audiences in different ways with community and digital managers; partnering with different community organizations in new and exciting ways. Computers in Libraries has always highlighted and showcased creative and innovative practices in all types of libraries, but this year with our theme, Library Labs: Research, Innovation & Imagination, we

☐ GSG and ISFHWE Luncheon **F332** **\$32** \$

☐ NEHGS Luncheon **F333** **\$32** \$

☐ NGS Banquet **F361** **\$45** \$

**SATURDAY, 7 MAY 2015**

☐ Youth Camp **S461** **(Free, must pre-register)**

☐ NGS Luncheon **S431** **\$32** \$

☐ Georgia GS Luncheon **S432** **\$32** \$

**TOTAL PAYMENT DUE** \$

# EXPLORING THE CENTURIES: FOOTPRINTS IN TIME

Genealogists will gather in sunny Fort Lauderdale, Florida, for the National Genealogical Society 2016 Family History Conference, *Exploring the Centuries: Footprints in Time*. During the conference, being held 4–7 May 2016, participants may choose from 180 lectures and workshops. Lectures will cover a wide range of local, regional, and general genealogy topics which will help you build a solid foundation for your family history, fine-tune your research skills, and refine your methodology.

Conference registration opens on 1 December 2015 at <http://conference.ngsgenealogy.org/event-registration/>

## PRE-REGISTRATION

Registration opens 1 December 2015 with discounted early-bird conference registration ending 31 March 2016. Attendees may also pre-register for meals, workshops, and special events by 22 April 2016 (or until these events are full).

On-site conference registration opens Tuesday, 3 May 2016, noon to 7:00 p.m.

NGS offers a refund, minus a \$50 service fee, until 22 April 2016. NGS does not provide refunds after 22 April 2016.

## CONFERENCE VENUE

NGS will hold all conference events at the Greater Ft. Lauderdale/Broward County Convention Center, 1950 Eisenhower Blvd, Fort Lauderdale, FL 33316.

The exhibit hall is free and open to the public Wednesday through Saturday. The conference website provides a list of current exhibitors. See <http://conference.ngsgenealogy.org/exhibit/>

Daily parking (no in-out privileges) is found at the well-illuminated and security-patrolled Northport Parking Garage, which also offers covered and air-conditioned skywalks to the convention site.

The conference center will have numerous Wi-Fi hot spots and all hotels offer free Wi-Fi in each room.

## CONFERENCE HOTELS

The conference hotel, the Hilton Fort Lauderdale Marina, is located across the street from the convention center. Conference

rates are also available at the Renaissance Fort Lauderdale Cruise Port Hotel and the Fort Lauderdale Embassy Suites.

Check the website for the most up-to-date information on hotels including room availability, shuttle, amenities, rates, and contact information. See <http://conference.ngsgenealogy.org/accommodations/>

## DINING

Participating societies and organizations are sponsoring luncheons Wednesday through Saturday. See the conference schedule for details and the registration form on page 15 to purchase meal tickets. Meal reservations close 22 April 2016.

An assortment of à la carte lunch items will be available during the conference. The conference website offers other dining opportunities in and around downtown Fort Lauderdale. See <http://conference.ngsgenealogy.org/getting-there-things-to-do>

## GETTING THERE

The local airport is the Fort Lauderdale–Hollywood International Airport (FLL) and is conveniently located about 4 miles from the conference hotels. Major airlines with service to the airport include: American, Delta, United, Southwest, and JetBlue.

Taxi service is available and costs approximately \$15.00 (depending upon traffic) plus tip. Shuttle service is also available. For more information see <http://www.broward.org/Airport/Transportation/>

Regional rail service is available between Miami, Fort Lauderdale, and West Palm Beach via Tri Rail. Schedules and fares are available at <http://www.tri-rail.com>.

## SPECIAL REQUIREMENTS

Registrants with special needs should notify NGS in writing as outlined in the Americans with Disabilities Act (ADA). Write us at the National Genealogical Society, 3180 Columbia Pike, Suite 300, Arlington, Virginia, 22204-4304 or email [conference@ngsgenealogy.org](mailto:conference@ngsgenealogy.org).

Scoters and wheelchairs are available to rent through an off-site provider. Those interested must make reservations in advance. Check the NGS website for details. See <http://conference.ngsgenealogy.org/scooterinfo/>

## CONFERENCE BLOG

Subscribe to the NGS Conference Blog and receive automatic conference updates. See <http://conferenceblog.ngsgenealogy.org>

## RESEARCH OPPORTUNITIES

The conference blog will highlight research facilities in Florida. Library and archive listings will be posted on the blog each month until the conference so check the blog regularly. The blog will offer collection details and contact information for each research facility.

## EXHIBIT HALL

Exhibitors will offer book signings, demonstrations, daily drawings, and giveaways. The NGS Conference Blog will announce further details on all activities closer to the conference. The exhibit hall is open to the public.

## CONFERENCE EVENTS, WEDNESDAY–SATURDAY, 4–7 MAY 2016

### BCG SKILLBUILDING TRACK

The Board for Certification of Genealogists (BCG) will again sponsor a Skillbuilding track throughout the conference designed for intermediate to advanced researchers interested in improving their research skills.

This year's sessions will focus on the many faces of evidence. Presentations will cover evaluating evidence, solving difficult problems, and reporting research. Lectures are open to all those registered for the conference.

### OPENING SESSION

#### Wednesday, 8:00 a.m., W101

Connie L. Lester, PhD, will look at the tendency to equate status with value, which often prevents us from recognizing the roles of people defined as "ordinary" in the unfolding of history. In "Ordinary People, Extraordinary Lives" she will look at the men and women

who battled the heat, the swamps, and the bugs to establish farms, businesses, schools, and the arts in Florida. How do we find their stories? And what do those stories contribute to our understanding of who we are?

### RECORDS PRESERVATION AND ACCESS COMMITTEE (RPAC)

#### Wednesday, 4:00 p.m., W158

Genealogists are facing an ever-growing threat of record closings at both the state and federal level due to concerns about identity theft. Virginia reversed the trend by reducing the closed period for death records from fifty years to twenty-five years. RPAC is sponsoring a presentation "How the Virginia Genealogical Society Made Virginia Vital Records More Accessible" by Peter Broadbent, former Virginia Genealogical Society President. RPAC members will also provide an update

on recent legislative activity. Plan to attend so you can share the information with your local and state organizations.

### LEARNING GENEALOGY—NGS STYLE

#### Wednesday, 5:15 p.m., W161

Join NGS president, Jordan Jones, and NGS education manager, Patricia Walls Stamm, CG, CGL, in a roundtable discussion about the National Genealogical Society's new and varied, self-paced online courses. Everyone, including current, past, and prospective students, is welcome to see the latest techniques for learning genealogy from home.

### SOCIETY ROUNDUP

#### Wednesday, 5:00 p.m.–7:00 p.m., W162

Florida genealogical and historical societies will be available in the Exhibit Hall Lobby.

## **IUG 2016 Pre-Conference Sessions**

### **Session A – 9:30 am – 4:00 pm**

#### **A1 Polaris SQL for Beginners Cost: \$100 Cap: 15**

Join this all-day session to learn the basics of the Polaris database structures, keys and how to form a basic SQL query. \*\*\*All participants must bring a wi-fi enabled laptop with Remote Desktop installed in order to participate in this hands-on workshop.

#### **A2 API Hackathon Cost: \$25 Cap: 64**

Calling all librarians, software developers, designers, and makers - join us for the first ever IUG Hackathon! This all-day event brings together multi-disciplinary teams to develop real solutions for libraries using Sierra APIs, or Polaris APIs. We encourage working together in groups of 2-3, including at least one developer with skills to create software using RESTful APIs, so you can build a working feature to show off for your fellow hackers and all Innovative libraries at the end of the conference. Each team must bring a laptop computer pre-loaded with a development environment ready to interact with Sierra APIs or PAPI. Pre-registrations is required, and refreshments and lunch will be provided. See more information here:

<https://www.iii.com/iug-2016-hackathon>

#### **A3 Load Profile Refresher Cost: \$100 Cap 25**

Refresh your load profile skills in this all-day session. We'll review core load profile concepts, best-practices, and configuration strategies that can help you prepare for your next project or give you the confidence to evaluate your existing profiles for efficiency. The workshop will be presented seminar-style (not hands-on) by Innovative Data Profiling Analysts with access to reference materials to support your ongoing projects. This one-day session is intended as a refresher course for those who have previously taken the full multi-day Load Profile workshop and have authorization to edit load profiles at their libraries.

#### **A4 Public Library Consortia Meeting Cost: \$0 Cap: 50**

Join your colleagues and Innovative staff for a full day pre-conference focused on the unique needs and experiences of Public Library Consortia. Open to public consortia and member libraries using Sierra, Millennium, Polaris, or Virtua platforms, we encourage participation from all. The program offers both joint and break-out sessions to cover common issues and platform-specific topics, such as: o Enhancement recommendation process for consortia o Circulation, paging, holds, and workflow o Resource sharing and INNReach o Product roadmaps There is no charge to attend this conference day, but pre-registration is required for all attendees. Refreshments and lunch will be provided. See more information here:

<https://www.iii.com/public-library-consortia-meeting-iug-2016>

### **Session B – 9:30 – 12:00**

#### **B1 Sierra SQL 101 Cost: \$50 Cap: 25**

Made the move to Sierra, but not sure where to begin with SQL? This half-day session will give you the tools you need to start working with your Sierra database. We'll review the basics of the Sierra PostgreSQL database schema, how to connect to a database, using SQL syntax to form a basic query, and how to interact with SierraDNA views. Content will be presented seminar-style (not hands-on) by Innovative experts. Intended for beginners or anyone who needs a refresh on the basics. We'll do our best to prepare you for a hands-on session later in the day.

#### **B2 Getting started with print templates Cost: \$50 Cap: 30**

Gain valuable insight and experience working with Millennium and Sierra's print templates module and iReport! Participants in this session will learn the basics of print template manipulation. Session presenters

## Hotel & Transportation Information

### IUG 2016 San Francisco

#### San Francisco Hilton at Union Square

303 O'Farrell Street  
San Francisco, CA 94102  
415-771-1400
