

Georgia Marshals Training Network 2016 Training Conference

"Working Together Accomplishing Great Things"

January 5, 2016

Dear Sir/Madam:

On behalf of the Georgia Marshals Training Network and the National Constables and Marshals Association, I offer you greetings. The planned Georgia Marshals Training Network Conference in October had to be cancelled. We have partnered with the National Constables and Marshals Association (NCMA) to host a conference March 28, 2016 – April 1, 2016. The host hotel is the Columbus Marriott, 800 Front Avenue in Columbus, Ga. (706) 324-1800. The event will take place at the Columbus Trade & Convention Center, 801 Front Avenue, Columbus, GA 31901.

The conference is designed to offer training as it relates to legal updates, civil process, sovereign citizens, generational leadership, Fair and Impartial Policing (FIP), firearms proficiency, and other training topics. We are often reminded of the danger of what's on the other side of the door when serving civil processes from recent shooting deaths of fellow deputies in uniform. As agency CEO's, we share a fiduciary duty to make sure that we provide the best training for our men and women in uniform. As challenges in the field change, so should our training. Leadership and learning are "Indispensable." Therefore, we must make decisions as it relates to training to benefit our agencies and municipalities.

In addition to the wonderful training, both organizations will be afforded the opportunity to celebrate communities throughout the United States by awarding thousands of dollars in scholarships and recognizing exceptional citizens who have made significant contributions to the community and criminal justice system.

Please see the following to help you plan accordingly: **Early Registration: \$190.00 per person by January 1, 2016.** Hotel rates are **\$139.00** per day to include the breakfast. Please book your rooms ASAP. When making your reservation, please advise you are attending the Georgia Marshals Training and N.C.M.A. Conference Reference # (M-4E5YT41/GMSS). Registrations made after January 1, 2016 will increase to **\$220.00**. All registrations must be paid before March 25, 2016 for planning purposes. Spouses and special guests are welcome also. The **registration fee for spouse or guest is \$140.00**. This fee includes the seafood dinner, Awards Banquet and other tours and excursions planned during the conference. **There will be a Golf Tournament on March 28, 2016.** Please register on the website <http://www.georgiamarshalstrainingnetwork.org/>.

Registration fees should be made out to the Georgia Marshals Training Network and mailed to the Muscogee County Marshal's Office 100 Tenth Street Columbus, Georgia 31901. Captain Curtis Lockette will serve as the contact liaison. His contact information is clockette@columbusga.org. He can also be reached at (706) 225-3382 office or (706) 325-1001 cell.

Our annual banquet, which will culminate our training conference, has a two-fold purpose. Community service awards will be presented to exceptional citizens from across the United States. Last year, we had the opportunity to present a scholarship to the child of an officer who lost his life in the line of duty. Also, scholarships will be awarded in the following areas: Child of a Fallen Officer/Soldier, Merit/Needs Based, Criminal Justice, Medical Services Field, Memorial Scholarship, and LEO Continuing Education.

Marshals, Constables, Chiefs, and Sheriffs, we are asking for your full support to make this conference a success. If we work together, we can accomplish great things.

With warmest regards, I remain

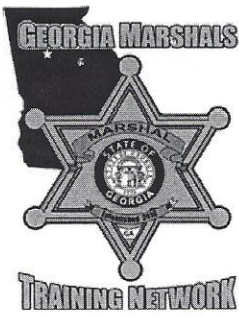

Sincerely,

Greg Countryman
