County shall pay each such approved invoice within thirty (30) calendar days. County reserves the right to withhold payment pending verification of satisfactory work performed.

Section 4. Limit of Appropriation

4.1 Consultant clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of one million eight hundred fifty-two thousand five hundred dollars and no/100 (\$1,852,500.00), specifically allocated to fully discharge any and all liabilities County may incur.

4.2 Consultant does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Consultant may become entitled to and the total maximum sum that County may become liable to pay to Consultant shall not under any conditions, circumstances, or

7.2.1.1 If Consultant fails to perform services within the time specified in the Scope of Services or any extension thereof granted by the County in writing;

7.2.1.2 If Consultant materially breaches any of the covenants or terms and conditions set forth in this Agreement or fails to perform any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in any of these circumstances does not cure such breach or failure to County's reasonable satisfaction within a period of ten (10) calendar days after receipt of notice from County specifying such breach or failure.

7.2.2 If, after termination, it is determined for any reason whatsoever that Consultant was not in default, or that the default was excusable, the rights and obligations of

the parties shall be the same as if the termination had been issued for the convenience of the County in accordance with Section 7.1 above.

7.3 Upon termination of this Agreement, County shall compensate Consultant in accordance with Section 3, above, for those services which were provided under this Agreement prior to its termination and which have not been previously invoiced to County. Consultant shall promptly furnish all such data and material to County on request. If the County modifies and/or uses the documents for any reason other than their intended use, without Consultant's authorization, the Consultant shall be released from any liability as a result of such action.

Section 9. Inspection of Books and Records

Consultant will permit County, or any duly authorized agent of County, to inspect and examine the books and records of Consultant for the purpose of verifying the amount of work performed under the Scope of Services. RE: Scope of Services and Fee Proposal
Fort Bend County Justice Center Administration Building Addition, Richmond, Texas

Dear Mr. Knight:

The office of Pierce Goodwin Alexander & Linville (PGAL) is pleased to present this scope of work and fee proposal for the design of the new Fort Bend County Justice Center Administration Building Addition in Richmond, Texas. PGAL has previously completed a study for the facility and we are now prepared to complete the project providing A/E services for schematic design, design development, construction documentation, bidding and construction administration.

PROJECT UNDERSTANDING

Fort Bend County, with the assistance of PGAL, has defined a viable solution to the County's needs, based on the study, completed earlier this year. The study provided a program for the District Attorney's, District Clerk and County Clerk's spaces in the new Administration Building that could be occupied by each user group as needed when their current spaces is needed for court expansion. This follows master plan of the original judicial complex solution that can be phased over time, as the judicial needs grow and funding becomes available. This effort will implement the project as voted on in the Bond Referendum in November 2015.

The study identified an approximately 105,000 GSF building with an estimated construction cost of approximately \$24,000,000 to include spaces for the District Attorney, District and County Clerks, and support spaces, including a new lobby space separate from that of the current Justice Center.

SCOPE OF WORK

The previous effort provided a verification of the facility program in order to accurately reflect the needs of the administration building. In this phase of the work PGAL and the A/E team will complete the construction documents for bidding/pricing and provide construction administration services through the completion of the project. Our consultants for the project will provide structural engineering, mechanical electrical and plumbing engineering, civil engineering, A/V consulting, security consulting, telecommunications system consulting and landscape design. We have also included MEP commissioning as part of the basic services scope of work. It is anticipated that documentation will be provided for the buildout of all spaces in the administration building, and that the project will be bid out by a Competitive Sealed Proposal delivery method.

COMPENSATION

As requested, we have provided a lump sum fee:

• Schematic Design (15%)	\$ 271,875
• Design Development (20%)	\$ 362,500
• Construction Documents (40%)	\$ 725,000
• Bid/Negotiating (5%)	\$ 90,625
• <u>Construction Administration (20%)</u>	<u>\$ 362,500</u>
• Total (100%)	\$1,812,500

Reimbursable Expenses: PGAL would expect to be reimbursed for any out-of pocket expenses we incur on behalf of this project, to include, but not limited to, printing, plotting, photography, permits, fees, special handling or delivery, mileage and travel (if necessary). Reimbursable expenses will be billed at our cost, and are estimated not-to-exceed **\$40,000** to complete the project through construction.

Additional Services: If services other than those described above are requested and approved by Fort Bend County, they will be billed in addition to the above compensation in accordance with PGAL's personnel rate schedule for 2015.

Terms: PGAL will invoice monthly based on a percentage of project completion. Payments are due within thirty (30) days of receipt of invoice.
