abc³

is now

In addition to providing the nation's best and most interactive ambulance billing education as we have for over 10 years, abc³⁶⁰ will follow a new format — and a broader focus — on the entire ambulance revenue cycle. The “abc³⁶⁰” name better reflects the cyclical nature of reimbursement and compliance for ambulance services. Don't miss this all-new event that is designed to build — and protect —

your agency's bottom line

The national standard for **Ambulance Billing and Coding Education!**

Las Vegas, NV: March 20-22
Orlando, FL: April 9-11
St. Louis, MO: June 5-7

Advance your ambulance billing and coding knowledge and skills by becoming a Certified Ambulance Coder® (CAC®) — the nation's first, and still the best, educational program both for new and experienced billers and coders.

The CAC course covers all of the important aspects of ambulance reimbursement, including:

- Medical necessity
- Reasonableness
- Levels of service
- HCPCS Coding
- Modifiers
- Signature rules
- Documentation
- ICD Coding

Take your commitment to the next level — become a Certified Ambulance Coder®.

The only **Ambulance Compliance Officer Certification** in the Nation!

Las Vegas, NV: March 20-21
Orlando, FL: April 9-10
St. Louis, MO: June 5-6

Your compliance officer needs to have the proper training and expertise to do the job right.

The Certified Ambulance Compliance Officer™ course has been specifically developed for ambulance services and billing agencies. The course

will prepare your current or prospective ambulance compliance officer on how to:

- Develop and implement a compliance program
- Effectively train employees
- Proactively monitor compliance
- Conduct internal audits

- Respond to external audits
- Ensure your agency is compliant in areas such as pricing, contracting, privacy, security and human resources.

After completing this course, your compliance officer will be nationally certified and ready to develop a compliance program from the ground up, or update and improve your existing compliance program. ***This is the only ambulance compliance officer certification in the nation.*** Take advantage now and take your agency's compliance commitment to the next level.

The Nation's first and only **HIPAA Compliance Certification**
for the ambulance industry!

Las Vegas, NV: March 20-21
Orlando, FL: April 9-10
St. Louis, MO: June 5-6

The **Certified Ambulance Privacy Officer (CAPO™)** certification is the nation's first and only HIPAA compliance accreditation for the ambulance industry! The CAPO™ credential says you know how to *effectively* apply the HIPAA Privacy, Security and Breach Rules and it validates your agency's commitment to safeguarding patients'

protected health information and protecting their essential privacy rights. This in-depth, comprehensive course teaches how to employ dynamic privacy and security practices, fluently deal with everyday HIPAA matters and much, much more. There's no question that the CAPO™ program can take your agency's HIPAA compliance to the next level.

New for this year!
Tuition for all NAAC courses includes a continental breakfast and light lunch each day.

All of the NAAC® courses include final exams, and on-the-spot certifications are issued following successful completion.

CAC® | The nation's best educational program for ambulance billing and coding knowledge and skills.

CACO™ | The only ambulance compliance officer certification in the nation. Take advantage now and demonstrate that your agency has taken its compliance commitment to the next level.

CAPO™ | The nation's first and only HIPAA compliance certification for the ambulance-industry! The CAPO™ program can help you improve your agency's privacy and security compliance.

NAAC® represents the industry's Gold Standard of Excellence in compliance, ethics and integrity in all facets of ambulance coding and compliance.
