As noted by the enclosed certificate, a public hearing for this purpose was held by the Corporation on April 19, 2016.

Following, you will receive by mail this letter are six (6) copies of a Certificate of County Clerk which have been prepared in connection with the issuance of the first installment of bonds. We respectfully request that six (6) fully executed, *but undated* Certificates and an executed copy of the resolution be returned after adoption of the enclosed resolution. We will date the Certificates the date of issuance of such bonds.

A representatives from Memorial Hermann Health System will be attending the Commissioners Court meeting in order to answer any questions the Commissioners may have relating to the financing or the resolution. However, as we discussed, we are not planning on making a presentation to the Commissioners unless requested to do so by the county.

Please do not hesitate to contact me at (713) 651-5608 if you should need any additional information or have any questions which you would like answered before acting on this request.
