Dear Commissioner Meyers:

As requested by the residents of Fulbrook, the Fort Bend County Engineering Department has completed the traffic control plan to place speed limit signs of 30 miles per hour at the three entrances to Fulbrook (Fulbrook Road, Fulbrook Shores Trace, and Bessie's Creek Trace) as shown on the traffic control plan. This plan will establish a speed limit of 30 miles per hour throughout the subdivision and allows for the removal of all other speed limit signs within the subdivision. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.
