Join us for the Sixth Annual Courts & Justice Executive Forum

September 6-8 at the St. Regis Deer Valley in Park City, Utah

*This **invitation-only event** connects leaders and innovators in the justice community, who are Odyssey® clients — senior court, IT and elected officials — from some of the largest jurisdictions in the country.*

Since its inception in 2011, the Executive Forum has grown to become an annual tradition that clients look forward to every year. The tradition continues this year with the sixth annual Tyler Executive Forum, and we hope you can join us.

This year's [agenda](#) will be more interactive than recent meetings with more time for discussion. This includes increased use of client panels, less reliance on PowerPoint, as well as an additional focus on important, topical business process issues. Our objective is for clients to gain knowledge and understanding of Tyler's long-term plan and vision, as well as provide us with feedback on your challenges and priorities, and to learn from your peers. As always, you will have the opportunity to network with like-minded senior court officials from around the country and with Tyler's senior management team. Get ready, get set for another great Executive Forum where you can establish relationships, share new ideas and identify innovative ways to solve business challenges, achieve more efficient court operations and improve digital access to justice.

There is **no fee** to participate in this **by-invitation-only** event. Please note that we expect a large turnout, and we will need to limit registrations.

Please [register](#) to reserve your spot soon.

See you in Utah!

Note: Please do not share this website. We have a limited number of spaces available for this **by-invitation-only** event.
