Re: Grunwald Rd Closure

Commissioner Morrison,

SEPTEMBER 26

W.T. Byler Co. requests a road closure for Grunwald Road from August 12, 2016 to August 20, 2016. We are under contract with the Kansas City Southern Railway to extend the mainline track from the KCS Kendleton Yard northward through Grunwald Road. This will be a second railroad track placed parallel to the existing track on 15' centers. Additionally, the roadway approach on the Hwy 59 side of the tracks will be re-profiled with asphalt to accept the new track. The approach on the north side of the tracks will also be over laid with new asphalt. I have attached drawings of the road crossing from the project plan set. Please let me know if you need any additional information. My cell phone number is (281) 850-7895.

Sincerely,
W.T. Byler Co.
