June 1, 2016

Dear Colleagues,

The IACP has built our Annual Conference and Exposition to be the premier education and exposition experience for you -- our members.

Your job requires you to find the best solutions to ensure that your community stays safe and secure, your officers are well-equipped and trained, and your department is run efficiently and effectively. IACP is your trusted partner in these efforts, providing complete hands-on access to the latest technology, tactics, and strategies that you and your agency need to excel.

IACP 2016 will be held in San Diego, California, October 15-18, 2016.

Attending this year's annual conference is more essential than ever as we come together and address the priorities that are important to you. For your convenience, I've enclosed a registration form with the unique source code JOINUS that you may use to register for this year's educational meeting. For more information or to register online, visit www.theIACPconference.org.

Your priorities are our priorities. Discover the many opportunities available to you this October in San Diego.

I look forward to seeing you there.

Sincerely,

Vincent Talucci
Executive Director/Chief Executive Officer

EDUCATION

Address Your Priorities with World-Class Education

At IACP 2016 you will have access to over 250 education sessions across 13 targeted tracks. All law enforcement professionals will find educational topics featuring solutions to critical issues law enforcement leaders face today. Several of the sessions for IACP 2016 are highlighted here and on the following pages. This list is not complete and is subject change. Visit theIACPconference.org or download the IACP 2016 mobile app for the latest information.

Leadership Track

NEW! More Content Available

This year, at IACP 2016, select sessions in the **Leadership Track** will be recorded and made available to IACP members in an online format. This will allow you to catch even more of the sessions you want to see, even if they occur at same time.

NEW!

Shorter Sessions
IACP has adjusted the education session schedule to conform with adult learning best practices. The shorter sessions will also provide space for more topics to be covered over the course of the conference.

NEW!

Quick Hits
In addition to shorter session times, IACP 2016 will also feature Quick Hits. These 20-minute sessions, will provide quick, concise information, giving attendees yet another way to grab some education throughout the day.

Companion Track

It is important that families have access to the tools and resources they need to overcome the many different situations they encounter through an officer's career. The Companion Track was developed specifically for families of law enforcement officers. The track consists of sessions that cover the various issues that law enforcement family members face, and then provide them with successful strategies for work and home.
