Mr. Grady Prestage
Fort Bend County Commissioner Precinct 2
303 Texas Parkway Ste. 213
Missouri City, Texas 77489

Attention: Mr. Prestage

Dear Mr. Prestage

I am writing you to request the Commissioners Court to set a public hearing for a replat. Attached is a copy of the replat developed by Weisser Engineering Company, Inc. for CST Corner Store No 1464. The reason for the replat is to subdivide two reserves into four reserves. The replat is located at the southwest intersection of Beechnut St. and FM 1464 in Fort Bend County, Texas.

The property's intended use will be for one future development of a commercial reserve. Currently one convenient store is located on Restricted Reserve "A". Restricted Reserve "B" is restricted to landscape, and Restricted Reserve "D" is restricted to detention and configured for the entire plats drainage. I have enclosed a copy of the replat.

Please let me know if you have any questions in regards to this matter.
