SALE-LE Cohort:

The next SALE-LE Cohort session is fast approaching, and I look forward to seeing each of you again in Louisiana! Each of you will need to make your own arrangements to Scott, Louisiana to **arrive Monday evening, November 14, and be ready to depart from the hotel Tuesday morning at 8:00 a.m.** I suggest that if you fly to this session, that you fly in and out of Lafayette, Louisiana. **Please do not make your departure flight before 4:00 p.m. on Friday, November 18** from Lafayette, Louisiana to your home destination. Our session will conclude on Friday, November 18 at 2:00 p.m., and you will have enough time to depart by 4:00 p.m. that day.

We will spend two nights near Lafayette, Louisiana (probably Scott, LA), and we will stay two nights in New Orleans. We will be leaving all vehicles at the Rice Research Station in Crowley, Louisiana on Tuesday morning, and I will be chartering a bus for all week for us. We will return to our vehicles on Friday, November 18 by 2:30 p.m., and we can drop off all cohort members at the Lafayette Airport on our way to Crowley.

If you have any questions, please feel free to call our office before you make any flight arrangements. We will update you with additional information regarding the session and closer to time.

Sincerely,

Dr. Jim
