CTC Concrete Traffic Control Plan

CTC Concrete's Traffic Control Plan is as follows:

- Concrete trucks (and crew's trucks) will be positioned in a manner where traffic will not be blocked, and passing traffic will have a clear path around the jobsite.
- If traffic flow around the jobsite is limited to 1-way only, we will manage the flow by alternating each direction.
- The jobsite area will be identified.
- Fresh-poured concrete will be marked with yellow "Caution" tape.
- Debris will be cleaned from street to keep traffic flow uninterrupted.

RICH MATNARD, CTC CONCRETE
