Annie, David, Robin:

The ECM (Electronic Content Management) Team is planning a site visit to Las Vegas NV and Boise ID to view the proposed Requordit solution in action. There is a strong possibility this solution will solve the TriTech/Tyler data sharing dilemma. It looks like we will be leaving Houston on October 3<sup>rd</sup> flying to Vegas for a site visit with the Sheriff's Office on October 4<sup>th</sup>. We will then depart for Boise the morning of October 5<sup>th</sup> for a half day visit that afternoon, wrapping up the next morning and flying back to Houston on the 6<sup>th</sup>.

If you are interested in participating in this site visit, please submit your travel request for next week's Commissioner Court agenda (September 13<sup>th</sup>). This will allow us to purchase airline tickets at least 14 days before traveling which is required by our County Travel Policy.

Let me know if you need additional information.

Thanks,  
Cheers,

***Gilbert D. Jalomo, Jr., CPPB***

My suggestion is to follow this plan with two half-days in Boise and fly back the afternoon of 6<sup>th</sup>. That will give us a good 8 hours at each site.

Thanks,  
Ed

Good morning! Here's a proposed schedule for the LV and Boise trip.  
{Please review Adan's plan below.} It looks like we need to be in Vegas for Oct. 4th. (Travel Oct. 3rd - the first day of the Fiscal year)  
Then travel Oct. 5th to Boise and spend the afternoon of the 5th and all day of the 6th in Boise? and fly home that evening or the next day - the 7th?

Please also review the agenda and propose suggestions?

thanks,  
Susan

Hi Susan,

Hope you had a great weekend – Vegas and Boise are prepared to host Oct. 3<sup>rd</sup> – Oct. 7<sup>th</sup> (Boise) and Las Vegas is available Oct. 4<sup>th</sup>.

With Vegas, the morning will be with their core team LuAnn, Amber, and Bambi and the afternoon with Shawn their Applications director. Both clients ask for additional information on the areas in their County that they will start with the OnBase implementation so we can all identify what solution discussions would be relevant.

We had this in mind as an example:

History with OnBase for the morning session and we can get donuts etc  
Walkthrough of your (their) most prominent solutions  
Meeting with Shawn (for IT) and a review of what Shawn did for the environment  
Conversation with Amber on how she supports training  
Bambi – Planning for yearly OnBase projects  
Visit the Jail with LuAnn
