Requordit Summit Keynote Speaker Announced

You're invited to the

Requordit 2016 Summit

KEYNOTE SPEAKER ANNOUNCED

Requordit is very proud to announce our Keynote speaker for the 2016 Requordit Summit being held on November 3rd in Chicago. (Link to Web Site) **Dr. Christopher Piros is a Senior Vice President, Managing Director of Investment Strategy for both Hawthorn, PNC Family Wealth and PNC Institutional Asset Management.**

Based in Philadelphia, he leads the team that establishes overall strategic and tactical guidance of client portfolios, oversees the evolution of investment processes, and provides thought leadership on investment issues. He chairs the Hawthorn and IAM Investment Policy Committees and serves on several Asset Management Group investment committees.

Dr. Piros will lead a discussion and provide insight regarding the domestic economic environment we are working in today and insights regarding the rate environment and key economic indicators.

Additionally, he will be addressing equity and bond markets as well. Requordit is pleased to present this gifted speaker in order to provide you, our clients information that can help you and your organization navigate to economic trends.

I know this will be an engaging discussion and I would encourage your executives to take advantage of this great opportunity to hear Dr. Christopher Piros speak.

We have the best agenda ever this year and you will not want to miss it. Please RSVP as soon as you can.
