WHEREAS, Consultant represents that it is qualified and desires to perform such Services.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

AGREEMENT

Consultant shall render Services to County as defined in the Scope of Services (attached hereto as Exhibit A).

Section 2. Personnel

2.1 Consultant represents that it presently has, or is able to obtain, if necessary, adequate qualified personnel in its employment for the timely performance of the Scope of Services required under this Agreement and that Consultant shall furnish and maintain, at its own expense, adequate and sufficient personnel, in the opinion of County, to perform the Scope of Services when and as required and without delays.

2.2 All employees of Consultant shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Consultant who, in the opinion of County, is incompetent or by his conduct becomes detrimental to the project shall,

upon request of County, immediately be removed from association with the project. For the avoidance of doubt, this Section shall only apply to any employees of Consultant and shall not be construed to relate to any contractors involved in the Project which Consultant may from time to time interact with as a part of Consultant's duties.

Section 3. Compensation and Payment

3.1 Consultant's fees shall be calculated at \$43.27 per hour. The Maximum Compensation for the performance of Services within the Scope of Services described in the attached Exhibit A is seven thousand five hundred dollars and 00/100 (\$7,500.00) per monthly billing provided herein, with a Total Maximum Compensation of ninety thousand dollars and 00/100 (\$90,000.00) payable under the term of this Agreement. In no case shall the amount paid by County under this Agreement exceed the Maximum Compensation without written agreement executed by the parties.

3.2 All performance of the Scope of Services by Consultant including any changes in the Scope of Services and revision of work satisfactorily performed will be performed only when approved in advance and authorized by County.

Each invoice and request for payment shall be in a form acceptable to the County and shall reflect any amount representing the proportionate part of the Services performed during the previous month. County shall review such invoices and approve them within 30 calendar days with such modifications as are consistent with this Agreement and forward same to the County Auditor for processing. County shall pay each such approved invoice within thirty (30) calendar days. County reserves the right to withhold payment pending verification of satisfactory work performed; however, payment shall not be unreasonably withheld.

Section 4. Limit of Appropriation

4.1 Consultant clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of ninety thousand dollars and 00/100 (\$90,000.00), specifically allocated to fully discharge any and all liabilities County may incur.

4.2 Consultant does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Consultant may become entitled to and the total maximum sum that County may become liable to pay to Consultant shall not exceed ninety thousand dollars and 00/100 (\$90,000.00), unless agreed to in writing by the Parties to this Agreement.

7.2.2 If, after termination, it is determined for any reason whatsoever that Consultant was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County in accordance with Section 7.1 above.
