We are pleased to notify you that you have been selected to attend the Computer Forensics for Prosecutors course at the National Computer Forensics Institute (NCFI) in Hoover, Alabama on December 5-9, 2016.

Another e-mail will be sent to you in the coming months providing you with course information, travel arrangements and details. **There is nothing you need to do at this time regarding hotel or flight arrangements. They will be handled for you.** You can expect to fly out of your home airport on Sunday, December 4th, and depart Birmingham on Friday afternoon, December 9th. The next e-mail will also provide details to those wishing to drive instead of fly.

Please reply to confirm your intention to attend the training.
