Announcements

2017 Preparedness Summit Scholarships Available for Local Health Departments that have Partnered with Pharmacies

In an effort to expand partnerships between local health departments (LHDs) and pharmacies, NACCHO

About

As public health professionals looks towards the next two decades, one thing is certain, the world will not look the same as it does today. Our changing environment, technological innovation and increasing population density in urban areas are just some of

is tentatively planning a workshop focused on this topic, during the 2017 Preparedness Summit. NACCHO is currently offering scholarships to cover a portion of 2017 conference expenses for LHD staff with experience in this area, who are interested in presenting and/or serving as key informants for this session. the driving forces that will test our ability to take actions to prepare, respond, and recovery from disasters. The focus of the 2017 Preparedness Summit is to explore the factors driving change in our world, analyze how they will impact the future of public health preparedness, and identify opportunities we have *today* to drive action toward meeting our future needs.
