No more than two (2) budget revision requests shall be allowed during the contract period, to be submitted no later than ninety (90) days before the end of the Agreement period, as defined in Section II of this Agreement.

3.3 New line items created in the budget constitute a budget revision and will be treated the same as a reallocation of funds.

3.4 An increase or decrease in funds constitutes a budget amendment and must be formally approved by the Grantee's governing body.

IV.
DUTIES OF THE GRANTEE AND SUBRECIPIENT

4.1 The Subrecipient shall be responsible for administering the program in a manner satisfactory to the Grantee and consistent with any standards required as a condition of providing these funds. This Agreement may provide only partial funding for this Program. The Subrecipient qualifies for the receipt and expenditure of such funding because the individuals served are at risk of becoming homeless and reside in the Fort Bend County service area.

4.2 The Subrecipient shall carry out activities with funds provided under this Agreement and shall meet one or more of the purposes of the ESG program, which include providing homelessness prevention and stabilization assistance to homeless individuals or households. The Subrecipient agrees to maintain documentation that demonstrates that the activities carried out with funds provided under this Agreement meets this purpose of the ESG program for each activity in each reporting period.

4.3 The Subrecipient shall ensure that personnel providing services under this Agreement have all licenses required by law and/or are qualified to perform the services required under this Agreement. The Subrecipient shall further ensure that all Program and/or facility licenses necessary to provide the required services are current and that the Grantee shall immediately be notified if any such required licenses become invalid or are canceled during the term of this Agreement.

4.4 The Subrecipient shall provide medium-term rental assistance for more than 3 months but not more than 24 months of rent during any 3-year period. Rental assistance cannot be provided to a program participant who is receiving tenant-based rental assistance, or living in a housing unit receiving project based rental assistance or operating assistance, through other public sources. Rental assistance cannot exceed the Fair Market Rent established by HUD. Grantee shall provide applicable established Fair Market Rent to the Subrecipient. Rental assistance cannot be provided without a rental assistance agreement between the Subrecipient and the owner of the unit being assistance with ESG funds. Program participants receiving rental assistance must have a legally binding, written lease for the rental unit, unless the assistance is solely for rental arrears. The lease must be between the owner and the program participant.

4.5 The Subrecipient shall provide stabilization services which include security and utility deposits and monthly utility allowances for the program participant as determined by the subrecipient. The cost of security and utility deposits and monthly utility allowances is covered under the ESG funds.

4.6 The Subrecipient shall provide case management services for program participants. The cost of administering the case management services that is not covered under the ESG funds is the responsibility of the Subrecipient and will be used to satisfy part of the match requirement of the ESG Program.

4.7 Housing assisted with ESG funds must be in compliance with HUD's standard of rent reasonableness in accordance with 24 C.F.R. 576.106(d). The Subrecipient shall perform rent reasonableness determinations for all housing units to be assisted with funds provided under this Agreement. The Subrecipient shall submit the rent reasonableness determination to the Grantee for review and approval. Before any rental assistance is provided, each housing unit shall have a rent reasonableness determination reviewed and approved by the Grantee. Assistance shall not be provided for units that exceed the Fair Market Rent (FMR) for the area.

4.8 Housing assisted with ESG funds must meet minimum habitability standards in 24 C.F.R. in accordance with 24 C.F.R. 576.403(c). The Subrecipient shall notify the Grantee of any and all units in need of habitability inspection. The Grantee shall perform habitability inspections for

all housing units which are assisted with ESG funds. Before any rental assistance is provided, each housing unit shall be physically inspected and must meet minimum habitability standards. Assistance shall not be provided for housing units that fail to meet minimum habitability standards. Habitability inspections performed by the Grantee shall not preclude the Subrecipient from its responsibility to ensure that units are in compliance with minimum habitability standards.

4.9 Subrecipient must report client-level data, such as the number of persons served and their demographic information, in a Homeless Management Information System (HMIS) in accordance with 24 CFR 576.400(f). Subrecipient shall use a database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. The Grantee shall facilitate the use of the HMIS provided by the Coalition for the Homeless for Houston/Harris County.

4.10 The Subrecipient must develop and implement written procedures to ensure the security and confidentiality of all records containing personally identifying information of any individual or family who applies for and/or receives Emergency Solutions Grant (ESG) assistance in accordance with 24 C.F.R. 576.500. The address or location of any domestic violence, dating violence, sexual assault, or stalking shelter project assisted under the ESG shall not be made public, except with written authorization of the person responsible for the operation of the shelter. The address or location of any housing of a program participant shall not be made public, except as provided under a preexisting privacy policy of the Recipient or Subrecipient and consistent with state and local laws regarding privacy and obligations of confidentiality.

4.11 The Subrecipient must follow the standards for providing assistance with Emergency Solutions Grants (ESG) funds as required by 24 CFR 576.400 (e). These are initial standards that have been created in coordination with the Houston/Harris County Continuum of Care which includes Harris County, the City of Houston, Fort Bend County and the City of Pasadena.

The Grantee will provide these standards to the Subrecipient as they are developed. The standards represent goals for providing services for the community and the entire continuum, though the Grantee expects that the standards will become more expansive as the Grantee gains more experience with and collects more data from services provided with the Emergency Solutions Grants program. These standards are in accordance with the final rule for the definition of homelessness released by the U.S. Department of Housing and Urban Development on December 4, 2011.

4.12 Subrecipient shall provide support to clients for the full time necessary to stabilize that client and provide for the likelihood of positive housing outcomes after assistance.

4.13 As part of the requirement for comprehensive case management for housing stability, the Subrecipient shall complete, at a minimum, an in-person follow up with clients 30 days after exiting the program.

4.14 Grantee recognizes that high deposits for rental application and initial utility services is often an incentive for providing services or housing to clients with high barriers to housing or who may be seen as a risk. Subrecipient is allowed to include rental and utility deposits as part

of the housing relocation and stabilization services. Security deposits can be for up to two months of rent for the client. Deposits may remain with the client if they are stably housed once the Subrecipient has completed providing assistance. If a client leaves a program before completing assistance or leaves their housing prior to completing case management, the subrecipient must track and return the deposit to the Grantee.

4.15 The Grantee will not fund multiple security deposits or multiple utility deposits for the same type of service for a client.

V. PAYMENT

5.1 It is expressly agreed and understood that the total amount to be paid by the Grantee under this Agreement shall not exceed Seventy Thousand and No/Dollars (\$70,000.00). Drawdowns for the payment of eligible expenses shall be made on a monthly basis against the budget specified herein and in accordance with performance. Subrecipient shall submit a reimbursement request on or before the fifteenth (15th) day of the month for the costs incurred during the current month. Such invoices shall include any other documentation requested by the Grantee. All invoices shall be approved by the Fort Bend County Community Development Department prior to payment.

5.2 Payments may be contingent upon certification of the Subrecipient's financial management system in accordance with the standards specified in OMB Circular A-110, Attachment F.

The matching amount shall be calculated in accordance with 42 U.S.C. 11375(a)(3) by the following:

- Salary paid to staff to carry out the program.

If the subrecipient does not have employees performing similar work, the rates must be consistent with those ordinarily paid by other employers for similar work in the same labor market.
