**RE: Cinco Trace Drive at Westridge Creek Lane / Ironwood Retreat Boulevard – Interim
Multi-Way Stop Control**

Dear Commissioner Meyers:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of Cinco Trace Drive at Westridge Creek Lane / Ironwood Retreat Boulevard in response to a request for multi-way stop control. The posted speed limit on Cinco Trace Drive is 35 mph. The intersection currently operates with stop control on Westridge Creek Lane / Ironwood Retreat Boulevard. Cinco Trace Drive is identified as a Major Thoroughfare in the 2015 Fort Bend County Major Thoroughfare Plan.

A traffic signal will be constructed at the intersection and is scheduled to be operational by early 2018. In the interim, Engineering recommends conversion of the intersection to multi-way stop control until the signal is operational, as shown on the attached traffic control plan. The public hearing date for acceptance of the plans will be scheduled on the next available Commissioner's Court Agenda. If you have any questions please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytexas.gov.
