RE: Temporary Road Closure – SH 99 Access Rd/Ramp West of Harlem Rd

Dear Commissioner:

LJA Engineering, Inc. is requesting temporary road closure of SH99 Access Road/Ramp West of Harlem Road, pursuant to Section 251.011 of the Texas Transportation Code, to remove and modify the access road/ramp.

The ramp would only be closed for a few hours overnight during a Friday night and then reopened to traffic. It was agreed that a temporary overnight closure should be implemented due to worker safety and the traveling public on the on ramp. The 99 NB main lanes would remain open.

The temporary road closure dates are from January 4, 2017 until January 31, 2017. The detour plan is attached.

Should you have any questions please do not hesitate to call 281-633-7509.

Sincerely,

Rick J. Staigle, PE, PTOE
