

Summary

This year marks the 20th anniversary of Summit so we are shaking things up quite a bit. Here are some of the changes you can expect to see at SUMMIT 2017:

- May 16-18 in Denver, Colorado (Sheraton Downtown Denver)
- 3 full days packed full of product training and industry best practices (no Friday general sessions)
- More accredited sessions to help you maintain certifications
- Support Bar (think Apple Bar) for scheduled sessions with the support team
- New and exciting evening events each night of the conference
- More opportunities to network

We look forward to seeing you in May! Be prepared to have your mind blown.

What is SUMMIT?

SUMMIT'S purpose is to provide the inspiration, education, and connections you need to transform your business or operation. This May, ZOLL will host hundreds of fire and EMS professionals from all over the globe. Through inspiring keynotes, innovative talks, educational breakouts, hands-on training, and tons of networking, you will learn how the SUMMIT experience, and especially our content, is truly remarkable.

Details

Registration Fees

Summit Pass: \$795 (stay at the Sheraton and get \$100 off your registration)

Join us at the Sheraton

SUMMIT 2017 will be held at the Sheraton in downtown Denver, Colorado.

[Click here](#) to book your room

ZOLL Room Rate: \$219 (some government rates available on first-come, first served basis)

Stay at the host hotel and we will take \$100 off per Summit registration..

This is a question we get asked a lot and we understand why. The fact is downtown Denver in May is expensive and when we contract with a hotel to put on an event, the hotel agrees to give us meeting space and support our event and we agree to have a certain number of our attendees stay at the hotel. I know what you are thinking - "not my problem" - right? We agree. That's why we have purposefully kept our registration cost at the same low level for several years - to help our customers balance out the costs associated with Summit.

Other great reasons to stay at the Sheraton are:

- The Sheraton really is a fabulous hotel
- The Sheraton lobby is where some of the best networking and problem solving is done
- We take \$100 off your registration fee
- It's right on the 16th street mall where all the action is
- You can sleep in a little later

We hope you decide to stay with us at the Sheraton - no matter what your reason.
