Re: PowerLine Rd Realignment; Mobility Project No. 13110;
PO# 131481

Dear Mr. Stolleis:

The cost for developing the acquisition documents by Jones & Carter for the right of way and the utility easement along Powerline Road is greater than the amount available in the additional services budget for the Right of Way acquisition documents.

Due to the complexity of the research into the parent tract of the Right of Way acquisition, the cost to research the property, survey the parent tract, and prepare the acquisition documents was proposed by Jones & Carter to be \$2,600.00.

Jones & Carter have submitted the attached proposal to prepare the acquisition documents for the additional 35- foot wide utility easement adjacent to the proposed right of way in the amount of \$2600.00.

The proposal from Jones & Carter total \$2600.00 and adding our 10% markup brings the total to \$5,720.00 for the right of way and easement acquisition documents.

Van De Wiele & Vogler, Inc. is hereby requesting an increase to our contract in the amount of \$2,860.00 to have these documents prepared.

Project Name	Fee	Van De Wiele & Vogler, Inc. 10% markup	Total Fee
Parcel Acquisition	\$2600.00	\$260.00	\$2860.00
Total	\$2600.00	\$260.00	\$2860.00
