RE: Fort Bend County Fresh Water Supply District No. 1
Fresno Ranchos Subdivision Lift Station
Right-of-Entry Permission
Property ID# (Fort Bend County Central Appraisal District # R65884)
Highway: Trammel Fresno Road
County: Fort Bend

Dear Mr. Grigar:

Jacobs has been contracted by the Fort Bend County Fresh Water Supply District No. 1 to provide engineering services related to the design and construction of the Fresno Ranchos Subdivision Lift Station in Fort Bend County.

The purpose of this letter is to request your permission to allow representatives from the project team of Jacobs (Jacobs and Landtech) to enter your property for the purpose of performing a topographic and boundary survey required for the project design.

- The topographic survey work will involve walking on your property and surveying ground elevations within and adjacent to the proposed lift station site.
- The boundary survey involves locating property corners for the purpose of verifying the existing boundaries of the property.

We assure you that fences and other improvements to your property will not be damaged as a result of this work. If you need additional information, please contact Shawn Sharkey, Jacobs, Project Manager, at 281-776-1563 or myself at 281-983-2344.

If you are agreeable, please sign the attached acceptance agreement. Return one copy to us and retain the other copy for your personal files. If accepted, we will call you prior to the survey work being performed in the field.

Thank you for your assistance in this matter.

Sincerely,

David C. Dybala, Jr., PE
District Engineer

ACCEPTANCE OF ENTRY TO PROPERTY
Property Description: (Property ID #R65884)

I, _____, understanding the nature of the property survey, do hereby grant permission to Jacobs and Landtech personnel to enter the subject parcel of real estate to conduct surveys in compliance with federal and state laws.
