Jillian,

I have reviewed the attached invoices and recommend approval. Please process for payment.

Invoice 15 was submitted to me late. That is why it is forwarded with later invoices.

Invoice 16 represents 100% billings for the Design Phase of this project. Halff has completed all design tasks.

Invoice 17 is their first billings toward their Bid & Construction Phase, which is on a time & material basis. This is for survey work to help us coordinate the utility relocations after they submitted final plans.

Thanks.
