Dear Mr. Liftin:

This letter serves as advanced notice of the County's decision to terminate the Special Event Agreement for use of Fort Bend County Fairgrounds entered between Motorcycle Training Center, Inc. and Fort Bend County.

We regret to inform you that due to ongoing construction and rental changes at the Fort Bend County Fairgrounds, it will not be possible to continue allowing utilization of the midway for training purposes.

Our calendar shows that we have you scheduled for one final training event to be held on August 12th & 13th. After that date, you will need to make other arrangements for your event. **Your agreement will subsequently end on Monday, August 14, 2017.**

You also have equipment stored in a shipping container at the Fairgrounds. Please make arrangements to have your equipment removed from the shipping container and the Sheriff's Office building by August 15, 2016. Should you have any further questions, please contact my office at (832)471-2590.

Thank you for your business and the opportunity to serve you. We look forward to serving you again in the future.

Thank you,

Michel Davis
