To provide for the payment of the principal and interest on the Certificates, the County levies and shall levy for the current year and each succeeding year thereafter while the Certificates or any interest thereon are outstanding, a sufficient tax on each \$100 of taxable property in the County, within the limits prescribed by law, sufficient to pay the current interest on the Certificates as the same becomes due and to provide and maintain a sinking fund of not less than two percent of the principal amount of the Certificates or the amount required to pay each installment of principal of the Certificates as the same matures, whichever is greater, full allowance being made for delinquencies and costs of collection. Such tax shall be assessed and collected each year, and the same may not be diverted to any other purpose. The County shall pay the taxes so levied and collected into the Interest and Sinking Fund, and said taxes and fund are hereby irrevocably pledged to the payment of the interest on and principal of the Certificates and to no other purpose. The Commissioners Court hereby declares its purpose and intent to provide and levy such tax, it having been determined that the existing and available taxing authority of the County for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness. In addition, the Certificates shall be equally and ratably secured by a lien on the Net Revenues as collected and received by the County from the operation and ownership of the System, which Net Revenues shall, in the manner herein provided, be set aside for and pledged to the payment of the Certificates in the Interest and Sinking Fund as hereinafter provided, and the Certificates shall be, in all respects, on a parity with and of equal dignity with one another.

To pay the interest and principal coming due on the Certificates on September 1, 2017 and the interest and principal coming due on the Certificates on March 1, 2018 on the Bonds, which amount is hereby declared to be available for such purpose and such amount shall be used for no other purpose.

5.2. Rates and Charges. So long as any Certificates remain Outstanding, the County shall fix, charge and collect rates and charges for the use and services of the System which are calculated to be fully sufficient to produce the pledged Net Revenues described in Section 5.1.

5.3. Sale; Proceeds. The sale and delivery of the Certificates to DNT Asset Trust, and its successors, and assigns (herein referred to as the "Purchaser") at a price of \$17,000,000 is hereby authorized, approved, ratified and confirmed, subject to the approving opinion as to the legality of the Certificates of Allen Boone Humphries Robinson LLP, Houston, Texas, and Bratton & Associates, Houston, Texas ("Co-Bond Counsel). It is hereby found and declared that the price and terms of the Certificates to the Purchaser are the most advantageous and reasonably obtainable by the County, and the net effective interest rate is 2.36% which rate is less than the maximum rate permitted by law. The County Judge of the County and other appropriate officials and agents of the County are hereby authorized and directed to do any and all things necessary or desirable to satisfy the conditions set out therein and to provide for the issuance and delivery of the Certificates.

5.4. Investments. Moneys deposited into the Interest and Sinking Fund and other fund or funds that the County may lawfully create may be invested or reinvested in authorized investments. All investments and any profits realized from or interest accruing on such investments shall belong to the fund from which the moneys for such investments were taken; provided, however, that in the discretion of the Commissioners Court the profits realized from and interest accruing on investments made from any fund may be transferred to the Interest and Sinking Fund.

5.5. Defeasance and Refunding. The County reserves the right to defease or refund the Certificates in any manner provided by law.

5.6. Remedies in Event of Default. In addition to all of the rights and remedies provided by laws of the State of Texas, the County further covenants and agrees that in the event of default in payment of principal or interest on any of the Certificates when due, or, in the event it fails to make the payments required to be made into the Interest and Sinking Fund or any other fund or defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Order, the Registered Owner shall be entitled to a writ of mandamus issued by a court of competent jurisdiction compelling and requiring the County and the officials thereof to observe and perform the

covenants, obligations or conditions prescribed in this Order. Any delay or omission to exercise any right or power occurring upon any default shall not impair any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

ARTICLE VI FEDERAL INCOME TAX EXCLUSION.

6.1 General.

(a) The County intends that the interest on the Certificates shall be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable Income Tax Regulations (the "Regulations"). The County covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Certificates to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes. In particular, the County covenants and agrees to comply with each requirement of this Article; provided, however, that the County shall not be required to comply with any particular requirement of this Article if the County has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Certificates or if the County has received a Counsel's Opinion to the effect that compliance with some other requirement set forth in this Article will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in this Article.

(b) No Private Use or Payment and No Private Loan Financing. The County covenants and agrees that it will make such use of the proceeds of the Certificates including interest or other investment income derived from Certificate proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Certificates will not be "private activity Certificates" within the meaning of section 141 of the Code and the Regulations promulgated thereunder. Moreover, the County shall certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be "private activity bonds" within the meaning of section 141 of the Code and the Regulations promulgated thereunder.

(c) No Federal Guarantee. The County covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted,

respectively, would cause the Certificates to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable Regulations thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

(d) No Hedge Bonds. The County covenants and agrees that it has not and will not to take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Certificates to be “hedge bonds” within the meaning of section 149(g) of the Code and the applicable Regulations thereunder.

(e) No Arbitrage. The County covenants and agrees that it will make such use of the proceeds of the Certificates including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Certificates, and take such other and further action as may be required so that the Certificates will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder. Moreover, the County shall certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Certificates are delivered, the County will reasonably expect that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder.

(f) Arbitrage Rebate. If the County does not qualify for an exception to the requirements of Section 148(f) of the Code relating to the required rebate to the United States, the County will take all necessary steps to comply with the requirement that certain amounts earned by the County on the investment of the “gross proceeds” of the Certificates (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the County will (i) maintain records regarding the investment of the gross proceeds of the Certificates as may be required to calculate the amount earned on the investment of the gross proceeds of the Certificates separately from records of amounts on deposit in the funds and accounts of the County allocable to other bond issue of the County or moneys which do not represent gross proceeds of any Certificates of the County, (ii) calculate at such times as are required by applicable Regulations, the amount earned from the investment of the gross proceeds of the Certificates which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Certificates or on such other dates as may be permitted under applicable Regulations, all amounts required to be rebated to the federal government. Further, the County will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Certificates that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if

the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

(g) Information Reporting. The County covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Certificates are issued, an information statement concerning the Certificates, all under and in accordance with section 149(e) of the Code and the applicable Regulations promulgated thereunder.

(h) Continuing Obligation. Notwithstanding any other provision of this Order, the County's obligations under the covenants and provisions of this Article shall survive the defeasance and discharge of the Certificates.

6.2 Qualified Tax-Exempt Obligations. The County shall not designate the Certificates as "qualified tax-exempt obligations" for purposes of section 265(b) of the Code.

To the extent such Reinvestment Premium is payable pursuant to the paragraph below, it will be due within five (5) business days of the Purchaser's written request, as further described below.

A Reinvestment Premium shall be due and payable by the County if (A) exceeds (B) where (A) equals total scheduled interest payments due on the Certificates calculated at the 10-year Interest Rate Swap rate as reported on the Federal Reserve H.15 report effective on July 27, 2017 (the "Rate Lock Date") and (B) equals total scheduled interest payments due on the Certificates calculated on the 10-year Interest Rate Swap rate as reported on the Federal Reserve H.15 report effective on the date which the rate lock provided by the Purchaser is broken (the "Rate Lock Breakage Date"). If (B) above is equal to or greater than (A) above, then no Reinvestment Premium is due.
