EXECUTIVE FORUM 2017

September 5-7
Montage Deer Valley Resort
Park City, Utah

YOU'RE INVITED

Please join us for the seventh annual Courts & Justice Executive Forum, Sept. 5-7, at the Montage Deer Valley Resort in beautiful Park City, Utah.

This invitation-only event brings together leaders and innovators in the justice community who are Odyssey® clients — senior court, IT, and elected officials — from some of the largest jurisdictions in the country.

This year's agenda focuses on Connected Communities – together we can create thriving communities and a more just society. We will share our technology roadmap, including our newest applications, and also give you the opportunity to provide direct feedback on our direction. As always, you will have the opportunity to spend valuable time with senior court officials from around the country and with Tyler's senior management team. Get ready to build relationships, share new ideas, and identify innovative ways to achieve more efficient court operations and enhance digital access to justice.

There is no fee to participate in this invitation-only event, but please note that we expect a large turnout and need to limit registrations.
