SUBJECT: Fort Bend County "Engineering Services for Roadway and Underground Utilities"
Kendleton, Texas
Supplemental Professional Services for Surveying & Environmental Studies
GUNDA Project No. 15004-00

Dear Mr. Slawinski:

In accordance with your request, Gunda Corporation, LLC ("GUNDA") is pleased to provide this proposal to supplemental professional services relative to modification of Construction Document previously prepared for proposed Humphrey Way and Braxton Road extension east of Kendleton in Fort Bend County, Texas.

UNDERSTANDING

Based on our coordination, it is our understanding that Fort Bend County intends to reduce the original project limits to only include extension of Braxton Road from the newly constructed bridge over Brooks Bayou to the planned intersection of Humphrey Way and from this new intersection construct Humphrey Way to FM 541. Additionally, current plans will exclude all public utilities previously designed, including the proposed sanitary lift station. For clarity, this supplemental does not include scope or fees for traffic studies and/or any potential improvements on FM 541, previously discussed with TxDOT due to reduced construction limits. Further, it is our understanding that all other terms and conditions of the previously executed agreement will remain in effect and/or become applicable to the supplemental services being proposed herein.

The supplemental services are further described as follows:

SCOPE OF SERVICES

I. CONSTRUCTION DOCUMENT MODIFICATION

Update previously prepared construction documents to include plans, standards, bid form, and estimate for conformance to revised scope and limits. Effort will include removal of certain plan sheets and details, modification of plan sheet to remain to illustrate proposed and/or future construction scope, and necessary design modifications for of connection to current field conditions. For purpose of this scope and fee, it is assumed record drawings for the newly constructed bridge over Brooks Bayou will be adequate for the desired plan modifications. Therefore, no supplemental topographic surveying is being request at this time and if found necessary will be addressed by a separate supplemental request.

II. PROJECT MANAGEMENT & COORDINATION

Coordination of supplemental scope with County, City, TxDOT, applicable approval agencies, and other project partners to include meetings, exhibits, invoicing and correspondence.

DELIVERABLES

Updated Construction Documents, including plans, standards, bid form, and estimate

PROJECT FEE AND SCHEDULE

GUNDA will provide the proposed engineering services listed above for a lump sum fee, including expenses in the **recommended supplemental amount totaling \$30,022.50**

The above fees will be invoiced in accordance with the terms and conditions of the previously executed agreement between Gunda and Fort Bend County.

We appreciate the opportunity to work with you on this important economic development project. Should you have any comments or questions please do not hesitate to call.

Sincerely,

GUNDA CORPORATION, LLC
