Re: Request for Variance – Block Length  
Harvest Green Sec 16

Dear Commissioner Patterson:

We are requesting a variance to the Fort Bend County Regulations of Subdivisions as described in Section 5.5.A.2 to Commissioners Court to grant an exception to the regulations and not require an additional east-west street along the western boundary of Harvest Green Sec 16 plat. The western boundary of Harvest Green Sec 16 is adjacent to an existing drainage easement, as well as the existing single family residential sections of Harvest Green Sec 12 and Harvest Green Sec 13.

Please call if you have any questions or need any additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Daniel A. Valdez'.

Daniel A. Valdez
