INTERLOCAL PROJECT AGREEMENT

This Interlocal Project Agreement ("Project Agreement"), is made and entered into pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code and Chapters 251.012 and/or 251.015 of the Texas Transportation Code, between Fort Bend County, Texas, ("County") a body corporate and politic, acting by and through its Commissioners Court and the City of Kendleton, Texas ("Local Government") a county, municipality, special district, or other political subdivision (including a corporate or political Local Government organized under State law), acting by and through its City Council.

In consideration of the foregoing and further consideration of the mutual promises, covenants and conditions herein, the parties hereby agree as follows:

I. BASIC TERMS

This Project Agreement is entered into pursuant to the Primary Interlocal Agreement ("Primary Agreement") previously agreed to by the parties on September 8, 2009. The terms of that Primary Agreement are incorporated into this Project Agreement by reference for all purposes as if they were set forth herein word for word.

County, by and through its Commissioners Court, hereby affirmatively finds that Fort Bend County will receive a benefit as the result of this Project.

County, by and through its Commissioners Court, hereby affirmatively finds that the Project serves a public purpose.

County, by and through its Commissioners Court, hereby affirmatively finds that County is specifically authorized by law to individually and independently construct the Project on its own.

Local Government, by and through its City Council, hereby affirmatively finds that Local Government is specifically authorized by law to individually and independently construct the Project on its own.

County and Local Government agree that, in performing the governmental functions contemplated in this Agreement or in paying for the performance of those governmental functions, each party will make that performance or those payments from current revenues legally available to that party.

County and Local Government affirmatively find that the performance of this Agreement is in the common interest of both parties, that undertaking this Agreement will benefit the public and that the division of costs associated with the Project fairly and adequately compensate the performing party for its services or functions performed under this Agreement.

Neither County nor Local Government intends for any third party to obtain a right by virtue of this Agreement.

Local Government agrees that County is relying upon Local Government for notice to proceed with this Project, but that County shall not be required to perform this Agreement within any time limit.

County and Local Government understand and agree that County is an Independent Contractor and that at no time will County's employees, agents or asignees be deemed for any purpose to be employees or agents of Local Government.

County and Local Government understand and agree that Local Government is an Independent Contractor and that at no time will Local Government's employees, agents or assignees be deemed for any purpose to be employees or agents of County.

II. PURPOSE

The purpose of this Project is to asphalt overlay Lum Road.

III. TERM

The term of this Project Agreement will be from the date of execution by the last party hereto until midnight on September 30, 2017 or until the Project is completed, whichever is sooner. However, either party may terminate this Agreement, with or without cause, by giving at least ten (10) days written notice to the other party.

IV. PROJECT DESCRIPTION

The Project contemplated by this Project Agreement is described as asphalt overlaying Lum Road, ("Project").

V. PROJECT LOCATION

The location for the Project is Lum Road, Kendleton, Texas ("Project Site").

VI. SCOPE OF WORK

COUNTY'S RESPONSIBILITIES:

County agrees to provide up to 88 equipment hours at \$35.00 per hour totaling \$3,080.00, up to 88 man hours of labor at \$15.00 per hour totaling \$1,320.00, plus an advance payment of up to \$2,065.50 for materials. The county's total initial expenditure shall be in an amount not to exceed \$6,465.50, with a total of \$2,065.50 to be reimbursed by Local Government for materials used on the project.

At County's sole expense, County will furnish the labor, equipment and materials necessary to perform its responsibilities under this Agreement. If necessary, the County will load any excavated material required by Local Government to be moved, onto trucks provided by Local Government.

LOCAL GOVERNMENT'S RESPONSIBILITIES:

Local Government agrees to reimburse the county all material costs to be advanced by the county estimated at \$2,065.50.

Local Government's sole expense, Local Government will furnish the labor, equipment and materials necessary to perform its responsibilities under this Agreement. Local Government will provide all appropriate supervisory personnel necessary to coordinate the efforts of County and Local Government personnel. Local Government will direct and be solely responsible for the overall Project. Local Government will furnish all necessary materials to the Project Site in a manner that will be sufficient to allow County personnel to work in a continuous, uninterrupted manner. If necessary, Local Government will provide sufficient labor and equipment to haul any materials excavated and loaded onto Local Government trucks by County. The number of trucks furnished by Local Government will be sufficient to allow County personnel to work in a continuous, uninterrupted manner. Local Government will schedule its labor and equipment to correspond to County's schedules.

If necessary, Local Government will, at its sole cost and expense, be responsible for the design of the Project. If necessary, Local Government will furnish to County plans that establish grades and the size of any channels and any associated structures County is responsible for constructing. If necessary, Local Government will furnish to County the initial on-ground survey alignment, ditch cross sections and one (1) or more elevation benchmarks on the Project Site prior to the commencement of work.

Local Government will obtain at its sole expense any and all necessary and/or required permissions and/or permits, including NPDES, and provide all personnel necessary to implement the provisions of such permits.

Local Government agrees, at its sole expense, to furnish all necessary flagmen, barricades, traffic devices and traffic control for the entire duration of the Project.
