Dear Mr. Norton:

We have reached an agreement with the owner of Parcel 15. Due to the time constraints of the project, we are submitting a preliminary funding request including the following documents for the Court's approval.

- Request for Check
- Form 1295 (LBM Holdings, Inc.)
- Copy of Deed to be signed at closing

As soon as we have the preliminary closing statement with final costs from Stewart Title, we will submit it along with the closing documents for signature by the Judge.

Thank you for your attention to this matter and please contact me at 281-343-7171 if needed.

Sincerely,
